Due to its age, ROBLOX games often contain bugs and glitches; it can be difficult to get rid of these glitches. Some users have even taken to modifying the game engine to bypass some of these bugs, as well as creating their own games and uploading them to Roblox without permission.

A lot of people have tried to crack Roblox and rip off their users by copying their website and fooling people that they have free robux codes which are actually not really working at all. These people try to fool users into giving them personal information so that they can hack their accounts. This is why players should always be very careful with who they share their account information with so that they do not get hacked or lose their accounts. It is also important for you to avoid downloading any suspicious files or programs from the internet because it can put your computer in danger. Be sure that you protect your personal information and never use the same password for more than one service on the internet. You should always come here to get all of the new Free Robux promo codes for ROBLOX instead of trying to find them through third-party sites or hackers since they are guaranteed to work when given by ROBLOX themselves. You can also use usernames and passwords that have never been used before. These are the best ways to stay safe online and continue enjoying all of the fun that Roblox has to offer.

The acquisition is part of a strategy by RoLabX to become a global gaming powerhouse with operations in China, with over 50% of revenues coming from China alone by 2021. The deal also confirmed that Tencent will continue to operate as the chief customer and user experience partner for ROBLOX. In late 2021, ROBLOX announced that they would be running advertisements on their site. Unfortunately, these advertisements were run-of-the-mill ads and did not produce any revenue for the company itself but also had a negative impact on their community as they were being flooded with ads featuring nudity, extreme gore, racism and other inappropriate content. In addition to this, many games would feature these ads despite not making any money from them themselves. ROBLOX was banned from Xbox Live in 2021 due to the game running advertisements which violated Microsoft's Terms of Service by being inappropriate for children. The ads contained anime-style nudity and extreme gore. This was later changed however when Roblox reached an agreement with Xbox Live regarding the matter between them.

As of April 2021, there are over 2,000 games on Roblox. Many of them are "clones" of other players' games made by other players, which can lead to copyright issues if the original creators do not want to share their work. Players may be able to report these games as well as block people who play them from their online profiles or in-game friends list. Some games have caused controversy with their focus on violence, sexuality and racism. However, Roblox staff have stated that the problem lies in the people who play these games, not in the games themselves.
