Great game but... by katiebean22 on 2021/03/01 16:32 The game is fun and addictive and I have lost count of the amount of hours I've played it but there are some major issues that need to be fixed. One is the chat room. Whenever I go into a chat room full of people I usually just spam my messages out hoping to get somewhere with one person. Well, I've gotten to the point that the majority of these people don't even respond. It's ridiculous that you have to wait for them to catch up with you in order for them to chat. Another major issue is the items. You see a lot of people wanting certain items but they aren't actually available anymore. One example is a spell that costs 2021 gold coins and only gives you one use and it doesn't replenish every time you win a battle. Lastly, there are a lot of glitches happening when I play the game. Sometimes my troops disappear for no reason and sometimes I lose all my troops even though I am still making moves on the board and it gets old really fast. I would rate the game a 5 but these major issues need to be fixed.",

I'm love it by Bella fox on 2021/05/17 05:44 This is so fun for me I play it every day

and I love it thank you for making such a wonderful game just one question though. They say we need 2,000 coins to upgrade but we only get 10 coins and if we spin 20 times that's the max 200 coins so how can we get more than that? Even though they have a lot of things have no coin is there any way you can make everything cost less coins? But besides that I think this game is great and fun to play with friends. I love it and I recommend it to anyone who likes playing fun games.",
